A Purpose-Driven Life within the Season!!

"When the song of the angels is stilled, when the star in the sky is gone, when the kings and princes are home, when the shepherds are back with their flock, the work of Christmas begins; to find the lost, to heal the broken, to feed the hungry, to release the prisoner, to rebuild the nations, to bring peace among people, to make music in the heart." --Howard Thurman (The Mood of Christmas)

As we leave the Season of Christmas and enter the Season of Epiphany, we come to an awareness of how the incarnation of Christ in our lives means a powerful manifestation and revelation of God fully connected with humanity, today. Epiphany is the season we celebrate the current and active Sacrament; the witness of Jesus' outward and visible expressions of divine love and grace for us now, and how we are the continuing manifestation and ministry of Christ through the power of the Holy Spirit within us. **This is the Season when we are called to be empowered; to demonstrate Christ's manifestation through us.**

It all begins on January 6th with the Magi (The Gentiles) visiting the young baby Jesus at the house where the new Holy Family lived in Bethlehem, bringing gifts to our Lord and Savior. Through heavenly signs and by listening to God through the Angels and dreams, we see how Jesus at the age of 1-2 years old would be protected by God's divine hand from the evil King Herod's killing of the Holy Innocents, by Joseph and Mary fleeing to Egypt with the Christ child, and then the Holy Family returning to live eventually in Nazareth. **God is at work in us to protect, ground and establish us; to demonstrate Christ's manifestation through us.**

In the following week, we celebrate the Baptism of our Lord, Jesus Christ on January 10th with our own planned baptisms and confirmations at our parish. We see firsthand the manifestation of the Holy Trinity and the importance of an outward and visible expression of divine love and grace for us, and how we as baptized Christians are all the continuing manifestation and ministry of Christ through the power of the Holy Spirit within us. **God is at work in us to heal, equip and strengthen us; to demonstrate Christ's manifestation through us.**

It is during the rest of Epiphany that the light of Christ is revealed through the various blessings, miracles, healings, teachings, salvation and the Transfiguration; a theophany that make it all concrete of who Jesus is to us and what Christ has done for all of us. During this New Year of 2021, let us all focus on what God is revealing on doing in our lives to make all things new. During this Epiphanytide, as we rediscover the purpose of Jesus in our lives, let us also reflect on our divine purpose and how Jesus is the Lord right now in our homes, our ministries, our work, our parish, our very being. **Truly, let us get ready for big plans that God has for each of us to bring the Good News to such a hurting world; to demonstrate Christ's manifestation through us.**

A blessed Epiphanytide,

Fr. Barrett+

Happy New Year!! What a wonderful December we had here at Blessed Sacrament C.L.C. despite everything going on!!

We had our angels sing for our recorded Christmas program (movie) and each family received a CD of the program. We also had a special visit from none other than Santa Clause! The children were able to bring a letter filled out by them for Santa to read and get some socially distanced pictures with him. We finished off the year with pajama parties in our classes with lots of fun had by all.

I want to thank all of you who participated in our Sees Candy fundraiser, we brought in \$2,628 with your help.
